Diversity Dance Studio

Summer 2018

Evening Camps

Ages 6-10

About Us:

Diversity Dance Studio began in 2013 with a very small company of ten dancers lead by Owner/Director, Taylor McKie. Since then the studio has grown significantly. Taylor is proud to recognize her first year of students who have been with Diversity for 5 years. With this group of kids, she has been able to bring home many first-place trophies, choreography awards, specialty awards and top ten awards. She has had the privilege of choreographing for many dance and theatre companies all over the metroplex. With 25 years of dance experience, she hopes to continue to pass on everything she has learned to her students. She is excited to continue fulfilling her dream of teaching in the new studio location this summer.
